

Increased pliability equals an added range of motion for both the hand and fingers when wet or dry

Protection

- **60+ TPP** - the highest thermal protective heat rating attainable according to NFPA 1971 – current edition
- **Durable “Wash & Wear” Eversoft Leather Outer** – is combined with highly engineered performance features resulting in a superior heat and flame resistant glove that’s comfortable to wear
- **Pyrotect Moisture Barrier** - breathable waterproof barrier that defends against blood-borne pathogens and provides critical protection from hazardous liquids
- **Kovenex Inner Liner** - is a blend of high-performance FR fibers with unsurpassed levels of heat blocking burn protection. **The liner is both bonded and sewn** to ensure efficient donning and doffing preventing liner pull-out
- **Gathered Close Fitting Wrist** in both the MFA82 & MFA83 gloves along with an inside leather hang loop
 - **MFA82 “gauntlet” style** effectively interfaces with turnout gear that has built-in wristlets
 - **MFA83** has a **Kevlar wristlet** with leather pull

Enhanced Dexterity

- **Superior Design Features** - a true three-dimensional form fitting glove
 - Curved, forchettted fingers with fold over, seamless fingertips = **enhanced dexterity**
 - Keystone thumb for the most freedom of movement
- **Soft Flexible & Abrasion Resistant** one piece back shell and reinforced “double” cowhide palm offers increased durability and ease of movement when using tools, handling hoses and ropes when both wet or dry

Available in sizes: XXS-XXXL

MD	1.97" to 2.46"	2.56" to 3.04"	2.97" to 3.38"	2.81" to 3.18"	2.03" to 2.52"	7.19" to 7.57"	7.22" to 8.72"
LG	2.06" to 2.56"	2.71" to 3.19"	3.16" to 3.57"	2.98" to 3.35"	2.17" to 2.66"	7.59" to 7.96"	7.61" to 9.12"
XL	2.16" to 2.66"	2.86" to 3.33"	3.35" to 3.76"	3.14" to 3.51"	2.30" to 2.80"	7.98" to 8.36"	8.00" to 9.5"
XXL	2.67"+	3.34"+	3.77"+	3.52"+	2.81"+	8.37"+	9.6"+

* Measured from the tip of the middle finger to the wrist crease. ** Measured around the hand at the main knuckle

MFA18B "Triple Protection" Extrication Glove

1. BBP – breathable waterproof Blood-borne pathogen liner
2. Armortex® reinforced palm with ANSI 5 rated cut & abrasion resistance
3. TPR overlays & impact foam for added impact protection

PLUS: Nitrile coated palm for water and oil resistance, elasticized debris-control cuff, Hyprene breathable cuff w/ reflective trim - available in sizes: XS-XXL

Fire & Rescue Performance Gloves

MFA Oil & Gas/Extrication Glove - Model# OGEX MFA16

Oil and water repellent while providing outstanding protection

- Armortex reinforcement provides extreme durability and highest level of abrasion resistance
- Nitrile coating makes the palm water and oil resistant
- Thermo plastic rubber (TPS) backing to reduce back-of-hand injuries and provide impact protection
- Cut resistant palm - ANSI cut level 5
- High breathability and flexibility
- Sizes: XS-XXL

MFA Extrication Glove - Model# EX MFA90B

Puncture and abrasion resistant with enhanced dexterity

- Puncture and abrasion resistant premium synthetic "leather" palm and fingers
- Tough Amortex anatomically designed palm pad for greater hand and finger dexterity is puncture & abrasion resistant
- PVC covered finger tips for a secure grip
- 4-way stretch breathable outer is oil and water repellent
- EVA padding protects the vulnerable metacarpal area along with tough Kevlar Amortex® for added knuckle protection
- Shirred elastic at the wrist insures proper fit - elasticized cuff keeps debris out
- Machine washable, sizes: XS-XXL

Now with breathable waterproof blood-borne pathogen barrier

MFA Rope Rescue Glove - Model# RR MFA70

Protection, comfort and dexterity when the work demands it

- High-abrasion premium synthetic leather palm and finger patches
 - EVA padded rope control channel for a tight secure grip
 - Flexible base layer allows for incredible fingertip dexterity without removing gloves
- Breathable spandex outer hand with neoprene knuckle for flexible fit
 - Elastic cuff with adjustable Velcro® closure for a non-binding, secure fit
- Machine washable, sizes: XS-XXL

MFA Leather Palm Mechanics Glove - Model# LM MFA78

Combining comfort, durability and style

- Padded high-grip leather palm with polyurethane reinforced fingertips
- Breathable 4-way stretch spandex back with neoprene knuckle protection
 - Elastic cuff has an adjustable Velcro® closure for a non-binding fit
- Sizes: XS-XXL
