

Support Breast Cancer Awareness

(#LFH3910)

Think Pink!

LION is proud to support National Breast Cancer Awareness Month by offering our modern Legacy 5™ and traditional-style American Classic™ helmets in Breast Cancer Awareness Pink. Pairing them with our pink Four-Way Non-Stretch LION Head suspenders makes for the perfect Think Pink fire gear combo.

HELMET FEATURES & BENEFITS:

- Available in LION American Classic™ (shown above) or Legacy 5™ helmet styles (shown on model)
- Made with state-of-the-art fiberglass material for lightweight and structural integrity
- Lasting color pigmentation is molded throughout the shell – which means no touch-up paint is ever required
- Center of Gravity™ technology provides the ability to custom-fit each helmet to the user, for greater comfort and protection

LION will donate a portion of the proceeds from our pink helmet sales to advocate breast cancer awareness on behalf of each purchaser.
